

Fishing for Money?

Do you need resources for your commercial fisheries or marine related business?

We have loans available from \$1,000-\$10,000 for Washington County fisheries & marine-related businesses.

Eligible uses include:

- Boat and gear acquisition/improvements
- Creation and/or expansion of value added-products/services
- Training and education
- Marketing assistance
- Energy efficiency improvements
- Assistance with the formation of start-up capital

Down East Commercial Fisheries Fund

The DECF is for Washington County-based commercial fishermen and marine-related industries seeking capital investment. The DECF goals are to increase economic activity and capital formation leading to growth, profitability, and sustainability of marine-related industries. Increasing access to capital with technical assistance and support will also assist in job creation and retention for one of Down East Maine's core economic sectors.
