

## **WASHINGTON COUNTY LEADERSHIP INSTITUTE**

### **Vision**

Through the efforts of the Washington County Leadership Institute, Washington County will be a place where leaders work together to address issues and opportunities and recognize that investment in one area will strengthen the whole.

### **Mission**

To provide Washington County citizens with the skills, insight, and professional network to be more effective leaders

### **Goals**

- To provide practical leadership training for participants who are committed to the well being of the county
- To foster skill development in areas such as team building, strategic thinking and problem solving, planning and organizing, communicating, networking and collaborating, local government and economics, and continuing for the future to enhance the ability of individuals and communities to work together effectively and responsibly
- To empower individuals with leadership skills to seek opportunities for the county, work with change, and commit to improving the economic, environmental, and social needs of the entire region
- To provide opportunities for practical application of concepts presented
- To acquaint or re-acquaint participants with a variety of geographical locations across the county
- To help build relationships and networks among the participants
- To positively impact participant's personal lives and professional situations
- To actively involve alumni as trainers, presenters, and panelists
- To encourage participants to become actively involved in alumni groups which serve as resources to address issues within the county
